

Company Profile

Costamare Inc. is one of the world's leading owners and providers of containerships and dry bulk vessels for charter. The Company has 49 years of history in the international shipping industry and a fleet of 70 containerships, with a total capacity of approximately 520,000 TEU and 44 dry bulk vessels with a total capacity of approximately 2,687,000 DWT (including two secondhand vessels that we have agreed to acquire). The Company also has a dry bulk operating platform, Costamare Bulkers Inc. ("CBI"), which charters in/out dry bulk vessels, enters into contracts of affreightment, forward freight agreements and may also utilize hedging solutions. CBI operates a fleet of 56 dry bulk vessels of approximately 8,570,000 DWT, which are chartered-in under period time-charters. The Company participates in a leasing business that provides financing to third party owners.

This Fact Sheet contains “forward-looking statements” within the meaning of the United States Private Securities Litigation Reform Act of 1995. In some cases, you can identify these statements by forward-looking words such as “believe”, “intend”, “anticipate”, “estimate”, “project”, “forecast”, “plan”, “potential”, “may”, “will”, “should”, “could” and “expect” and similar expressions. These statements are not historical facts but instead represent only the Company’s assumptions, expectations, projections, intentions and beliefs regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company’s control. It is possible that actual results may differ, possibly materially, from those anticipated in these forward-looking statements. For a discussion of some of the risks and important factors that could affect future results, see the discussion in the Company’s Annual Report on Form 20-F (File No. 001-34934) under the caption “Risk Factors”.
